Student Press Committee Minutes

February 9, 1998

Present: Stephen Andrilli (Chair), Christian Belko, Jackie Daino, Fionnula Gallagher, Al Massimini, Michael Torrey, Bill Wine

Excused: Kathy Bagnell, Ian Berry, Lynne Texter

The meeting began at 3:30 p.m. in Olney 128.

The minutes from the November 11, 1997 and December 2, 1997 meetings were revised and approved as amended.

Prof. Andrilli reviewed the current membership of the committee, the question of granting membership to Channel 56 and *The Explorer*, and the implications of such a change. As was noted before, adding new members to the committee would change the balance of votes between members directly connected to University press organs and members unconnected to University press organs. Consequently, Dean Brewer has suggested that if Channel 56 and *The Explorer* were granted membership, then an administrator (perhaps from the Admissions Department) and a student from the S.G.A. (but not connected to a press organ) should also be added. Such additions, however, might make the committee too large and could perhaps necessitate splitting into two smaller committees.

Christian Belko then reported on WEXP's progress. The much-needed storage cabinet has arrived, so compact discs can now be stored safely. The station has been renovated, with new floors and tiles having been added, and it is now in contact with record labels. A budget will soon be presented to the Student Activities Funding Board, and a consultant has estimated the cost of switching to an FM band. To help cover these costs, the station is working with the Alumni Office to solicit donations from WEXP alumni to a special fund. It has also begun broadcasting regularly (Monday through Friday, 3:30 - 9:30 p.m.), has established both a schedule of programming and a managerial structure, has a manager present at all times, and has created a Web page and an email account.

In light of WEXP's progress, the question of changing the committee's membership was raised once more. Since WEXP is becoming more active, it may need more of the committee's oversight, which would suggest that remaining as a single committee would be more beneficial than splitting into two committees. On the other hand, perhaps there could be one committee for printed publications and another for broadcasting organizations. This question has arisen because the very definition of "press" has changed drastically, and each of the press organs currently on, or possibly to be added to, the committee faces different issues and problems. In particular, since *The Explorer* operates on a different schedule than the other press organs, it may have very different needs. Ultimately, the committee decided to vote on the question of granting membership to Channel 56 and to delay voting on *The Explorer's* membership until further consultations could occur.

A motion to grant the General Manager of Channel 56 permanent voting membership on the Student Press Committee was introduced and seconded. The motion was passed unanimously.

The meeting concluded by planning another meeting to revisit the question of *The Explorer's* membership. The meeting then adjourned at 4:40 p.m.

Submitted by,

Michael Torrey

Student Press Committee Minutes
March 30, 1998

Please note: The Student Press Committee has not yet approved these minutes.

Present: Stephen Andrilli (Chair), Kathy Bagnell, Ian Berry, Tonya Ellis, Fionnula Gallagher, Lynne Texter, Michael Torrey, Bill Wine

Guests: Michael Boyle, Michael Pelusi, April White

Excused: Al Massimini

Absent: Christian Belko, Jackie Daino

The meeting began at 3:35 p.m. in Olney 128.

The committee extended an official welcome to Tonya Ellis, who as the Manager of Channel 56 has been granted membership. The committee's bylaws will need to be changed to include her; this task, however, may need to be delayed until the question of *The Explorer's* membership has been resolved.

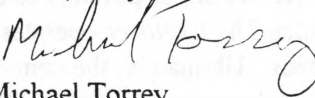

The minutes from the February 9, 1998 meeting were approved, with minor changes.

The committee discussed matters of concern with the members of *The Collegian* staff, and then a brief discussion of *The Explorer's* possible membership on the committee followed. A motion was introduced to table this issue until next fall, when *The Explorer's* new staff will be in place. This motion was seconded and passed unanimously.

Along with changing its by-laws to include Tonya Ellis, the committee should perhaps change its definition of a quorum. A motion to wait until next year to do so, however, was introduced, seconded, and passed unanimously.

The committee will meet again this semester if events require that it do so. This meeting adjourned at 4:40 p.m., with the committee thanking Prof. Andrilli for his diligent work as Chair this year.

Subject: Request for LSU weekly newsletter

=====

Request for donation of books, journals, CD-ROMs, computers and any educational materials for Lasallian schools in the Philippines.

We have schools ranging from nursery to graduate school. Any and all educational materials would be very appreciated. We are particularly interested in: The Physics Teacher and Amer. Journal of Physics.

Please place any donations in a box outside your office door. Mark it

"La Salle, Philippines" and call Ms. Marge Stone at x1315 and ask her

to have Ms. Anita and her truck crew pick it up from outside your office. Please put your business card or a sheet of your department stationary in box, so we can thank you. We thank all past donors for their generosity.

I will be on "home visit" at LSU from June to August and will be packing items for shipment. Thanks, Bro. Joe (Paul) Scheiter,

ATTENTION: TEACHING FACULTY

DOES TECHNOLOGY IN THE CLASSROOM MAKE YOU NERVOUS ?

The Wired Classroom: An Introduction is a four-day workshop designed to help you accomplish the following in your classes:

- Create a web page
- Use LotusNotes to
 - Send email attachments
 - Create an online discussion group
- Assign and monitor your students' online research
- Use technology in your course designs

The Wired Classroom will provide a hands-on introduction to information technology for use in the classroom. Geared toward novice computer users, the workshop will cover a variety of topics including email and discussion groups, web page creation, online searching and research strategies, and the pedagogical implications of technology use in the classroom. The workshop will provide training in the basic skills necessary for faculty to begin using communication technologies such as email and the Internet in their courses. Ample time will be afforded to discussions of the effective use of appropriate technology in course design and delivery.

**The workshop will run from 9 AM to 3 PM
Monday June 8th to Thursday June 11th, 1998**

Participants will receive a \$300 STIPEND.

All participants will be required to include an aspect of the technology covered during the workshop in one or more of the sections they will teach in Fall 1998.

To APPLY If interested, please forward to John Baky: ***name, campus box # or email address, and telephone number(s)***, along with a paragraph describing your interest in the workshop, any experience you have in the above topics, and any plan you have for implementing such technologies in a particular course. Applications must be received by May 18th.

Computer lab space limits the number of participants to 20.

Presented by the Teaching, Learning, and Technology Roundtable
through a grant by Bell Atlantic.

WE ARE LOOKING FOR A FEW GOOD WOMEN AND MEN!

The Academic Discovery Program is looking to hire student tutors to aid our students in the understanding of their subjects. (The tutors are not there to do homework or take the place of a teacher, but, like the Good Lord, to help those who help themselves.) If you know of any students who have the knowledge and personal characteristics to be a good tutor, could you write down their names and send them to Burton Sternthal, Box 255, or call me at 951-1123, or E – mail me at sterntha@lasalle.edu. Thank you very, very much!
